

Nanaimo Branch, Sponsors of  
#65 Navy League Cadet Corps J.P. Bell &  
136 Royal Canadian Sea Cadet Corps Amphion

## **End of Year Activity Report**

### **Branch:**

We spent the year focusing on building relationships with the officers, community supporters, and parents by having a September open house and social evenings.

We moved our AGM to June to align with our financial year end and to capture the attention of the parents and guests who were at the ACRs and awards evenings.

We have had a turnover for each position and are hoping to keep the momentum over the summer to appoint additional directors in the Fall.

Mass Band Program for both Amphion/Bell and well as 253 Air cadets

PRN 26 foot Keel boat was moved to Nanaimo (port Authority) marina in January making access easier for training. Successfully deployed for 3-4 training days this spring including multiple Sea units.

Work continues on the Nanaimo NL fleet based on prioritization determined in 2020. Some new found support from community orgs, such as the Bathtub Society.

### **JP Bell:**

Currently 27 cadets

Skating, Ladysmith Light up, Drill and range competitions, military museum trip, seamanship and watersport weekends, CFMetr camp.

### **Amphion:**

Currently 52 cadets

Fall camping trip, Fitness Fridays, several Legion flag parties, first aid training, pleasure craft operators course, radio operators course, navigation and communications weekend, drill and seamanship weekend, army reservist training, Battle of Atlantic ceremony, two sail weekends at Quadra, keel-boat training.
