President's Report

Jan 30, 2025

Team,

With 2024 behind us I am left absolutely inspired by the many accomplishments made by our team, and excited for what 2025 will bring for our organization, and for our Cadets. Although not always viewed as monumental, each and every time that we move pieces on the board, we are that much closer to winning, which in my mind is ensuring the ongoing accessibility of our programs, and the sustainability of our facilities.

With the above in mind, my primary goal as Branch President has been, and still is to fill the Branch with passionate people who each, will be able to take something on and move the pieces with care, respect, and vision. I am pleased to say that most Director roles have now been filled, and even more pleased with the calibre of people who have committed to our common goals. The future is bright, and I so look forward to "what's next."

With each person taking on a small wedge of the work-to-be-done pie, we inspire and encourage others to join us in our mission and we can now begin to accomplish so much more than mere survival.

I am in awe of the teamwork, growth, and passion displayed over this last year, and it is a privilege to be part of something spectacular with each of you.

With gratitude,

Scot Rounding-President
Navy League of Canada
Nanaimo Branch
